Dear Sir,

Thanking for the donation of the Infusion Pump

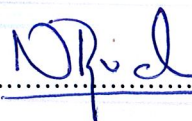

On behalf of the Cancer Hospital Karapitiya, we would like to thank you for your generosity in donating an Infusion Pump worth of LKR 220,800.00 on 14th January 2019.

We are glad to announce that the donated Infusion Pump was successfully installed at the Paediatric ward, in the Cancer Hospital, Karapitiya and this would not have been possible without your support.

Thank you once again for your generous and the thoughtful support and we hope you will continue supporting us in the coming up years.

Thank you.

Most sincerely,

.....
