Mrs. Champa Udawela,
President,
DOT Charitable Foundation,
Sydney, Australia.

Dear Mrs. Udawela,

Re: Donation by DOT Charitable Foundation, Sydney, Australia to paediatric and Neonatal units at DGH/Hambantota

On behalf of the paediatric and neonatal units of District general Hospital, Hambantota, I wish to express my sincere appreciation for your generous donation of

- Neonatal stethoscopes - 05
- Emergency Trolley - 01
- Heavy duty nebulizers - 03

District General Hospital, Hambantota is the main hospital which serves patients of the Hambantota district including many patients from peripheral hospitals. Even though this hospital caters to a large patient base within the area, resources are insufficient to provide comprehensive patient care.

Therefore, this kind donation will support us in providing care for children in paediatric wards and neonatal units and help us in improving our patient management. This is will also be of great benefit to the Hambantota region.

I would like to thank you once again for selecting DGH/Hambantota as recipients of your generosity.

Thank you,

Dr. Ravindra Abeysooriya,
Director,
DGH/ Hambantota.
