Dear Madam,

**In Appreciation to the Multipara Monitor Received On 25/05/2016**

It is with immense pleasure that we give our sincere gratitude to your charity organization in donating a multipara monitor to Paediatric unit -Base Hospital Padaviya.

It will be of great value, not only to the pediatric ward but to the hospital as a whole when undergoing emergency situations as we are having a limited number of such monitors in this hospital.

People of the area of Padaviya are poor and under privileged people who were affected from the civil war for years and also heavily affected by Chronic Kidney Disease of Unknown aetiology (CKDU) and interconnected social problems. Most seek health care from the government sector alone, hence this institution is very important. Your thoughtfulness will truly make a difference in the lives of our patients and their families.

We are indebted for your kindness and the generosity given to us in uplifting the care given by Base Hospital Padaviya.

Thank you once again for your kind contribution.

Yours sincerely,

Dr. Pubudu Ranaweera
