President,
The DOT Charitable Foundation
Sydney, Australia.

Dear All,

Donation request for the provision of SUPPLY & INSTALLATION OF PIPED MEDICAL GAS SYSTEM IN COVID THEATER (E) – DGH Gampaha

District General Hospital Gampaha is the largest hospital in the Gampaha district, catering a population of 2.5million. Second largest number of COVID 19 cases reported in Gampaha district in Sri lanka.

Currently we have limited resources in our hospital to cater these patients who need surgeries.

As you already aware, District General Hospital of Gampaha is currently managing a rapidly expanding number of COVID patients with an increasing Oxygen demand. I hereby request your kind contribution to establish 05 numbers of terminal units in the operating theater E for the patient management in the COVID THEATER.

Estimated cost for the above project is about 543,942.31 LKR & Estimation letter is attached herewith. Your kind response in this regard is highly appreciated.

Thank You.

Director

DGH Gampaha
