Food Donation Programme for the Less Privileged People in Puttalam District

We HELP HAND wish to inform you with a great sense of gratitude that your kind donation of 50000 LKR was received.

As the present endeavor during this pandemic situation, we have launched a programme to help the less privileged people in remote villages in Sri Lanka. Twenty families in Puttalam District will be benefitted by your kind donation. We are planning to donate food items and essential sanitary items for twenty families who are facing many difficulties without proper economy and the scarcity of food.

The programme will be implemented during the with this week end and photographs will sent you after completion of the programme. We are happy to inform you that we wish to continue this programme until the end of this pandemic situation of the country.

Your kind donation and prompt action on our request is appreciated deeply.

Thank you
